than to receive”**

Acts 1:35

Food Bank Christmas Campaign – 2017

As we approach the season of Advent our hearts fill with hope and anticipation. Young and old, we long for the promised peace and love that only God’s grace can provide. At Christmas we received the gift of God’s grace in the birth of the baby Jesus. But this gift isn’t just for us: we are called to offer the peace, pardon, presence, and power known through Jesus Christ to our neighbours – especially those in need of experiencing the comfort & joy of the Miracle of God’s love in Jesus!

Sadly, many of our neighbours struggle to experience this miracle – at this or any other time of year. As part of our **Christmas Campaign**, the Food Bank is hoping you will consider providing a gift for them – but a gift that will make a difference. In past years the Food Bank had a gift room filled with all sorts of gifts for children. This changed two years ago when the Food Bank Committee chose to go with Gift Cards as a way of being both fair and generous. It proved to work well.

Instead of purchasing a toy we ask that you donate a **gift card – or more – for \$20.00** (from Wal-Mart only please!), so that the parents would be able to choose what the child really wanted or needs. **NOTE:** Tax receipts are available for cash/cheque donations using Food Bank envelopes only – not Gift Cards.
