**God is speaking. Do you know how to listen?**

Many people have a tough time believing that God still speaks. We've learned from Scripture that God spoke to His people in ancient times and in mysterious ways, but how do we hear His voice now? The truth is God still communicates with His people, but He often speaks in a whisper—not to make it difficult to hear Him, but to draw us close.

In this 4-session series, Mark Batterson teaches what it means for Christians to discern the voice of God in their lives. He will introduce the seven love languages of God—each of them unique and entirely divine. By learning to tune in and decipher each language, Mark equips believers to hear God's guidance and grow closer to Him.
