Has it ever dawned on you that nothing has ever dawned on God?

Pastor and author J.D. Greear walks through the powerful words of Paul. J.D. digs into the text of Ephesians verse by verse and challenges believers to live out the gospel. If the people of your city, of your school, of your family are going to hear the gospel, it's going to be from your mouth. Encounter Ephesians and get swept up into the story of Jesus.

Please register so that we have an idea of numbers.
