## BYRON'S BRIDGE

As October comes to a close, I am looking back over a busy month with amazement. So much has happened since Rally Sunday in September. Since then, there has been so much going on at St. Andrew's! In October alone, we had World Communion Sunday, Thanksgiving, and Anniversary Sunday. I am writing this newsletter entry on the final Sunday in October, which will be our Service of Gratitude. We have held our first two St. Andrew's Community Meals on September 12th and October 10th and are looking forward to the next one on November 14th. As we enter November, we are looking forward to Remembrance Day, a Baptism Sunday, the yearly Budget Meeting, and the first Sunday in Advent. Then, it is on to the official Christmas Season!

So much is going on, and in the midst of it all, as so many of you know, a portion of the ceiling in the Great Hall of our historic church has fallen down.

This has caused a huge shift in planning for events and church gatherings.

The Great Hall is an invaluable space for large gatherings of people. We use it, of course, during our fellowship gatherings after our weekly church services. The St. Andrew's Foodbank gathers there once a week. Our community meals, Advent and Lenten family events, and so much more take place in that room, due to its large size and bright lighting during most of the day. Without the Great Hall, we lose a huge portion of utilizable space in the church. This has major impacts on nearly every ministry in our church. As the lead minister, this is a source of great anxiety for me, not only in terms of what it means for the ministries of the church while the Great Hall is unusable, but also in terms of how and when we will repair it, and how much it will cost us. There are still a lot of unknowns, but we are hard at work developing solutions. However, regardless of how worrisome this problem may be, I am reminded of the words of Paul in Philippians. *"Do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus." Philippians 4:6-7*

First, we must be thankful. Thankfully, the plaster fell from the Great Hall ceiling in the wee hours of the morning, so nobody was hurt. Falling from that great height, if someone had been in the Great Hall, this could have been a much greater problem. What is most important is that everyone is safe. So, we must pray and understand that God has a plan, and He will provide a path and the resources to restore the Great Hall of our beloved church. When I look back over difficult situations, in the midst of which I felt doubt, anxiety and uncertainty, I feel relief, peace and calm, seeing how God worked in those situations to bring me through to the other side. The goal is to be able to achieve that peace and calm in the midst of uncertain situations. Paul reminds us that by going to God in prayer during our troubles, and by laying our anxieties at the feet of Christ, then the peace of God, which surpasses all understanding, will guard our hearts and minds. St. Andrew's has stood the test of time for almost 200 years, and God-willing, it will stand the test of time for 200 more. Do not worry and be not anxious. We will get through this together, with the help of God and the guidance of the Holy Spirit!

Yours in Christ,

*Rev. Byron Kappes*

## NEWS FROM THE PEWS

**Engagement Announcement**

Bill and Anna-Marie Dewar are pleased to announce the engagement of their daughter, **Victoria Dewar**, to **Enrico Minichiello**.
On August 18th, a beautiful summer day, Enrico asked Victoria to marry him, and she joyfully said yes. Their families are delighted to celebrate this special occasion and look forward to supporting them as they prepare for marriage in summer 2028.

We invite our church family to share in their joy and to keep Victoria and Enrico in your prayers as they begin this exciting new chapter together. May God bless them with love, wisdom, and happiness in the years ahead.

**Golf Tournament**

The 2026 St. Andrew's golf tournament was held on Saturday September 26th. 24 golfers played 12 holes at Derrydale Golf Course. From Novice to Pro, all golfers shared laughs and stories over dinner before the prizes were awarded. The top team was composed of past members Wayne and Elizabeth Giesbrecht and Lee & Brian Gosse.

Every player received a commemorative St. Andrew's golf towel plus another item from the prize table. Thanks to those who donated prizes and for all those who came out to play. In 2027 we will need a new convener to organize the tournament as this was my final year.

**Travelogue from the Hutchinsons**

It has been a whirlwind summer and fall of unforgettable adventures for Barry and Karen Hutchinson! After a summer filled with cottage time, Barry and Karen headed west in August for a spectacular two-week trip to Alberta and B.C. The trip kicked off in Calgary, Alberta where they happily re-united with Karen's cousins, and carried on to Canmore where friends tied the knot against the breathtaking backdrop of the Three Sisters mountains.

In October, the excitement shifted across the pond as Karen flew to London, England, where she met her daughter, Vanessa, for the trip of a lifetime! Their whirlwind city tour included iconic spots like Buckingham Palace, Covent Garden, Borough Market, and Harrods. Joined by four English cousins, the fun went into overdrive: brunch on the 69th floor of The Shard, the mind-blowing *ABBA Voyage* hologram concert, High Tea at Scotland Yard's "The Parlour" and the main event—the spectacular Queen Elizabeth II Wardrobe Exhibit.

It was an amazing summer!

**CELEBRATIONS OF LIFE**

***In Loving Memory - Rev. Philip Albert Rodgers, B.A., Masters of Divinity***

We extend our deepest condolences to Joy Rodgers, family and friends at this sad time.
Our St. Andrew's Presbyterian Church family will miss him dearly. To read Rev. Philip Rodger's obituary, visit bramptonchapel@arbormemorial.ca

***In Loving Memory - Dr. Shirley Kellam***

Dr. Kellam was a longtime member and elder at St. Andrew's Presbyterian Church.
A Celebration of Life for Dr. Kellam will be held at 20 Cherrytree Drive, Brampton on **Saturday December 19th, 2026** from 2:00 pm - 4:00 pm.

## WORSHIP AND FELLOWSHIP

I hope each of you is thoroughly enjoying these gorgeous autumn days—with crisp, cool mornings, sunny afternoons, and refreshing evenings. Although Thanksgiving and our wonderful Church Anniversary Service are now behind us, this beautiful Fall weather makes it hard to imagine the colder months just around the corner. Yet, as the season changes, so does the life of our church, bringing with it a wonderful lineup of events for November and December.

The approach of winter is always an exciting, spirit-filled season at St. Andrew's, and our upcoming calendar is rich with opportunities to gather in faith and fellowship:

- **Remembrance Day Service (Sunday, November 8th):** We invite you to join us for a deeply moving service of reflection and gratitude. Together, we will honor the brave men and women who have given their lives in military service, while also recognizing and praying for those who actively serve in our armed forces today.
- **Service of Holy Baptism (Sunday, November 15th):** Our faith community will share in the immense joy of celebrating the baptisms of two precious children as we welcome them into the warmth of Christ's family.
- **First Sunday in Advent (Sunday, November 29th):** Believe it or not, the end of November marks the beginning of the Christmas Worship Season! We will light the first Advent candle, embarking together on our journey of anticipation, hope, and joy.
- **Sunday School Pageant (Sunday, December 6th):** An absolute highlight of the year for young and old alike! Please mark your calendars so you don't miss our children sharing the timeless Christmas story through song and drama.
- **Christmas Sunday (Sunday, December 20th):** Always another true highlight, with special music performed by our amazing choir and band.

Christmas at St. Andrew's is always filled with warmth, music, and joyful reverence. As the holidays draw near, we encourage you to keep an eye on our church website at **standrewsbrampton.ca** for full details regarding our Christmas Eve services and other special seasonal gatherings.

As we begin preparing our hearts, minds, and homes to welcome the arrival of Baby Jesus, may God fill your lives with His abundant peace, hope, and joy. I look forward to worshipping alongside you in the weeks ahead.

*Karen Hutchinson – Chair*

## PROPERTY REPORT

If you have been standing at the edge of the Great Hall recently, and notice it has been closed for your safety, you may have looked up and observed that a circle of plaster is missing from the ceiling.

Unfortunately, there will not be a quick fix to this ceiling. Our church's Insurance Company, *Ecclesiastical*, has sent an adjuster and engineer to look at the ceiling in the Great Hall. They believe there is no structural damage, but there might be water intrusion, as there are what look like water marks on the plaster. They inspected the roof with a drone during the end of October to see if there was any damage to our slate roof. We had samples of the fallen plaster and samples from a damaged wall in the manse, which were sent out for testing, and there was no asbestos found in the plaster from the ceiling or the manse. This is good news.
After the drone has completed the survey of our roof, the insurance company will have to decide how to proceed. Plaster lath work is not done to a large extent any more and any repairs would probably remove the lath in the area to be fixed, then fire resistant dry wall will be used to affect the repair. The engineer will probably bring in a hydraulic platform to inspect the ceiling. Since any repair that is done by the insurance will need to go out to tender, the Property Committee does not expect a quick resolution to our problem. It will be well into the new year before the problem is fixed. Thank you for your patience.

The other good news is that the parking lot has been repaved, with new painted lines.
*Robert Wightman - Chair*

## ***Do you love a Mystery?***

The St. Andrew's social team has organized a Mystery Dinner program for the past few winters. Participants either host or attend a dinner on the first Saturday of January, February and March, and in April we gather at the church for a potluck dinner together. The mystery is that you don't know who is coming to dinner. Our numbers fell short last year - it works best if we have at least 24 participants to host and attend. We need to hear from you!!
We will organize the Mystery Dinner program again this winter if we have enough interest.

Please send an email to the church office to confirm your interest before **November 28th** at Office@standrewsbrampton.ca

## TREASURER'S REPORT

Thank you for your continued support of St. Andrew's and for the generosity you show through your offerings. Your commitment sustains our ministries, our building, and the work we do together in Christ's name.

Year-to-date offerings are currently **12% lower than last year**, and we are carefully managing expenses to ensure our core programs continue uninterrupted. However, recent unplanned property repairs have created additional financial pressure. Over the past two months, the Property Committee has addressed two significant issues: **drain system repair**, and **parking lot paving restoration**

These essential but unbudgeted repairs totaled **$28,500**. Your Anniversary offerings are already helping us recover these costs, and we are deeply grateful. Looking ahead, our next unexpected expense will be the **Great Hall ceiling**, which requires repair to ensure the safety and usability of this important gathering space. Your continued financial support—whether through regular offerings, special gifts, or Anniversary donations—makes a meaningful difference. Every contribution helps us maintain our facilities, support our ministries, and remain a strong presence in our community.

Thank you for giving faithfully and for standing with St. Andrew's as we navigate these challenges with hope and stewardship.

*Anna-Marie Dewar - Treasurer*

## *Budget Meeting – Sunday, November 15th, 2026*

St. Andrew's Presbyterian Church will hold its annual **Budget Meeting** on **Sunday, November 15th, 2026**, immediately following the **morning worship service** in the sanctuary.

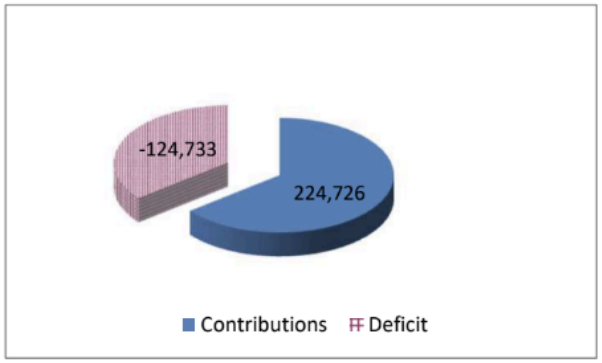

This meeting is an important opportunity for our congregation to review the proposed 2027 budget, discuss ministry priorities, and ensure we continue to steward our resources faithfully. All members and adherents are encouraged to attend and participate. Thank you for your ongoing support and commitment to the life and work of St. Andrew's.

## SUNDAY SCHOOL

Sunday School Is in Full Swing!

Our classes—from Kindergarten through Grade 12—are buzzing with energy! Together, we're discovering God's people and promises, exploring Jesus' teachings, and learning about the power of prayer.

There is even more excitement ahead! We are getting ready for our Sunday School Pageant on Sunday, December 6th, 2026. That day, the Sunday School will also take the lead at coffee fellowship. We can't wait to share a brand-new pageant with the congregation, and we are so grateful for your continued encouragement and support.

Our Youth class has been busy too! During their first five weeks, they explored Psalm 23 through RightNow Media and discovered what it means to follow the Good Shepherd. They learned that Jesus offers peace and calm—both physically and spiritually—and lovingly leads us along the right path. They were reminded that God is always with us to guide and protect us, that His goodness and love pursue us every day, and that the Holy Spirit lives within us as we grow in faith and show the fruit of the Spirit in our lives.

The Youth will meet again on November 15th, and we look forward to having everyone back together!

And finally, there is a special way you can join in the fun…

If you have ever felt a nudge to get involved, now is the perfect time! We are looking for a caring volunteer to welcome and care for the littlest members of our Sunday School in the nursery. If this sounds like a joyful way for you to serve, please speak with Kim Shepherd, our Sunday School Superintendent.

Together, let's keep growing in faith, learning together, and having fun along the way!

*Kim Shepherd - Sunday School Superintendent*

## WMS

Come, Connect, and Be Welcomed!

With Thanksgiving behind us and the colours of fall all around, this is a lovely time to pause, gather, and enjoy one another's company.

We warmly invite you to join us for an afternoon of fellowship in the Parlour at 1:00 pm on Tuesday, November 3rd and, weather permitting, December 1st. In December, we'll make the occasion especially festive with a potluck lunch!

Over tea and treats, we'll share conversation, laughter, and good company as we learn more about

the **Together We Can** projects in *Cuba* and at *Native Urban Ministries Edmonton*.

Whether you've been part of the group for many years or are joining us for the very first time, you'll find a warm welcome and a place at the table.

We look forward to welcoming you, catching up, and spending a joyful afternoon together.

## MISSION CORNER

Beginning in September and continuing in October, the Mission Committee, with the guidance of Rev. Byron, began having Community Meals on the second Saturday of each month. We have stuffed mailboxes, and met some of the residents of Church St, Alexander St. and Union Street. Our goal is to meet people in our immediate community and have them meet us. We hope that members of our congregation will engage in a meal and conversation with our community. The first couple of months have been somewhat supported by both our community and the congregation. The people I have met these last two months have been very positive about the initiative.

We run these dinners as a free-will offering. Our next scheduled dinners are November 14th, December 12th 2026, and January 9th 2027. Doors open at 4:30 pm with dinner served at 5:00 pm (running until 7:00 pm). We are hoping for a larger turnout, as time goes on. Our 2nd annual Service of Gratitude was held on Sunday, October 25th. We were pleased to have members of police, fire and paramedics with us as we thanked them for the incredible work they do daily. Rev. Byron's service, based on the beatitudes, was inspiring and uplifting. Cake was served after the service.

As we move forward, Missions will be announcing their winter projects. We will be doing another 10 bags for men at O.C.I. as they reintegrate back into the community. We wish to thank the congregation for all the help and support they continue to show toward our community and want to wish everyone a Merry Christmas and Happy New Year.

*Colin Young - Chair*

**November 2026**

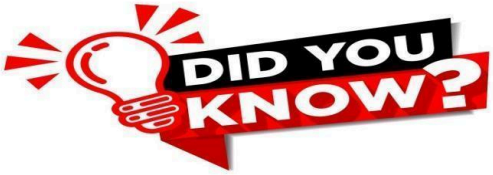

From September 1st to October 23rd, a total of 15 new prayer requests were received. That resulted in 47 updates since we receive several updates as the person's condition changes over the following days, weeks, and months.

We continue to pray for 15 groups and 26 individuals listed in our long-term conditions section. A monthly prayer list is sent out to all PCG members at the end of each month.

**In Memoriam**

We extend our condolences to Joy Rodgers, family members and friends, on the passing of Rev. Philip Rodgers on October 11th, 2026.

The PCG received a very heartfelt thank you card from Dr. Shirley Kellam's cousin, last name Watson, who lives in Toronto. Watson is Shirley's Mother's maiden name. They thanked us for our kind words posted in the comments section of her online obituary. They really appreciated that we prayed for Shirley this year and that we posted our condolence online from her St. Andrew's family.

Marilyn Henderson moved in September to River Oaks Retirement Village in Brampton.

Our resident St. Andrew's artist Molly Harvey has kindly offered to create her hand painted Christmas cards again that we will hand deliver to our shut-in members who receive the newsletter. We also give a card to any St. Andrew's member who lost a loved one in 2026.

It is a difficult time of year, and we just want to let them know we are thinking of them. These cards are delivered by our newsletter delivery angels; Ray Scanlan & Doreen Scott-Dunne, Valerie Martin, Felicity Alexander, and Sandra Jackson.

*Sandra Jackson - PCG Administrator*

Serving local Brampton families in need for the past 36 years

Our client base has changed over the last few years and we now have many young families with children and more seniors. We currently serve 3 Mothers with their 2-3 month old babies, 6-8 Mothers with kids in strollers around age 1, not walking yet, and about 15 Mothers with toddlers just under the age of 4. All the Mothers and a few Fathers that have kids over the age of 4 still visit weekly now that the kids are back in school, due to the high cost of food. Seniors' usage has also increased as they are struggling on limited income. We have 6 seniors that use walkers and several using canes. We see many new faces all the time, and they are so appreciative of the assistance we provide weekly. Our Client numbers average weekly about 125 in weeks 1+ 2 of the month. As their money runs out we can see up to 145 weekly in the last 2 weeks of the month.

Since the Great Hall is closed due to the ceiling issue as of October 4th, we have no warm place for our clients to wait before we open on Wednesdays at noon. We currently place chairs in the parking lot, and the Clients wait outside and we call them inside in groups of 5. We are concerned for their safety as the temperatures continue to drop in Nov + Dec. We pray for a quick resolution to the Great Hall ceiling issue soon.

**BLESSED AT THANKSGIVING**

We celebrated Thanksgiving with our clients on Wednesday, October 7th and handed out extra food items. We are extremely blessed by our loving Brampton Community neighbours, who purchase premade brown paper bags of food items, and drop them off at the donation bins as they exit the grocery store. The last week of September and the days leading up to Thanksgiving, the bins were so overflowing that our volunteers had to make two trips weekly to collect the mountains of bags donated. Many thanks to the grocery store managers and staff who create these bags for their customers to purchase. Big shout out to: Metro Brampton Mall, FoodLand Vodden, FoodLand Caledon East, Chalo Freshco Chinguacousy, and Freshco BCC. We are so blessed to have their support all year long but especially during the holidays - WOW!

**MERRY CHRISTMAS & HAPPY HEALTHY NEW YEAR**

The Food Bank Committee has decided not to ask the congregation to donate items to our clients for Christmas. We feel that our clients appreciate the extra food items and sweet treats we purchase, including 150 **'Bruce the Cookie Man'** chocolate chunk cookies. We will celebrate Christmas on Wednesday, December 16th. We made this decision knowing that members of St. Andrew's are also feeling the economic pinch this year. So, we encourage you all to assist the Worship Committee with Project Cozy Christmas donations, and the church finances to cover the unexpected cost of repairing the parking lot, and now the Great Hall ceiling. We want to thank our St. Andrew's Family and Volunteers for your support in 2026, and we wish everyone and your families a Merry Christmas, and Happy Healthy New Year!

*Sandra Jackson - Food Bank Secretary*

## GRACE NOTE

Our Grace Group had a wonderful time connecting during our October meeting! We discussed an array of topics including the first video in our "Every Thought Captive" series, "Conformed or Transformed", diving deep into what influences our thoughts and how we can recognize different thought patterns. It was an encouraging time of honest conversation and community.

We are already looking forward to our next meeting, where we will dive into the second video of the series, "The Pattern of Distraction".

We will also be using that time to plan our in-person gathering for December. We look forward to seeing how these discussions continue to shape our daily lives and deepen our fellowship as we wrap up the year together.
